

WSTOA Quarterly Training

CARE UNDER FIRE

The Washington State Tactical Officers' Association is pleased to announce first quarters free member training titled Care under fire.

- Presenter:** King County Medic 1 – TEMS Cadre
- Topics Include:** Combat casualty care under fire, bleeding control and tactical triage. Students will receive a background on the history of tactical emergency medicine, compare and contrast first responder care under fire and military care under fire. Training will specifically address contemporary methods of bleeding control, tactical triaging, and casualty movement. This hands on course will require the students to practice all these skills in short scenarios at the conclusion of training.
- Dates/Times** February 24, 2012, 0800-1600
- Who:** WSTOA Members.
- Where:** Yakima Police Training Room
207 S 3rd St
Yakima, WA
- Cost:** Free to WSTOA Members
- Registration:** E-mail WSTOA Director of Training Evan Ehring at evan.ehring@seattle.gov Upon registration students will receive specific equipment requirements. More information about this training or WSTOA membership can be found on the WSTOA website. www.wstoa.org
