CONTINUUM OF FORCE
CONCEPTS LLC

CFC Night Vision User (LE/Mil Restricted)

Continuum of Force Concepts LLC, is proud to present our “LE/Mil Restricted CFC Night Vision User Course”. This course will enable Law Enforcement tactical team personnel to achieve basic proficiency in the employment of image intensification devices (night vision) and ancillary equipment. Developing an enhanced nighttime capability will ultimately increase officer survivability and mitigate risk throughout the full spectrum of tactical Law Enforcement operations. This intensive 40 hour course is Idaho POST Certified and instructed by currently certified Military and LE Special Operations instructors. Course is limited to 10 total students, current Military or LE credentials required.

Hosted by Kootenai County Joint SWAT
